Thank you for choosing Oakland Wood Ltd. as your chairs and bar stool manufacturer.

Founded in 1993, we are family owned and operated. Our purpose is to provide the highest quality, all solid wood, American made chairs and bar stools possible.

We offer a variety of styles of chairs and bar stools, along with some unique items. Every piece we offer is made from the finest American solid hardwoods available. What you will receive from Oakland Wood chairs and bar stools is a unique product that will last not only for your lifetime but for future generations.

Lead time is approximately 6-8 weeks. This time can be longer if special finishes are required and/or fabrics are needed. The time of year that you place your order is also a factor. The Thanksgiving and Christmas holidays are some of our busiest times.

We warranty each and every item that we build for workmanship and material defects. If one of your items is damaged, we will be happy to repair that item for a nominal fee.

Thank you to our current and past dealers and customers for their patronage. We are thankful to and for our authorized retailer/dealers. To prove that, we wish to remind our customers that we are a WHOLESALE ONLY manufacturer.
